REPORTED IMPACT SNAPSHOT | GAZA STRIP

11 March 2026 at 15:00

Disclaimer: Figures that are yet-to-be verified by the UN are attributed to their source. Casualty numbers have been provided by the Ministry of Health (MoH) and the Israeli authorities. The fatality breakdowns currently cited are those that the MoH in Gaza has fully identified as of 31 December 2025 out of the higher number of casualties they report. The latest casualty updates are also available on the Health Cluster's Unified Dashboard.

REPORTED CASUALTIES (Cumulative) as of 11 March 2026

Palestinians*

72,135
Reported fatalities include

71,444 identified fatalities as of 31 December 2025 as:

* Source: MoH Gaza

171,830
Reported injuries

* Source: MoH Gaza

Israelis**

Israel

Over **1,200*****
Reported fatalities

1,162 identified fatalities, including at least 33 children

~5,400
Reported injuries

HEALTH*

- **31** Emergency Medical Teams (EMTs) including 310 national and 76 international personnel, as of 11 March 2026.
- **>18,500** critical patients, including **4,000** children, require medical evacuation abroad. Between 18 and 27 February, **160** patients and **292** companions were evacuated via Kerem Shalom and Rafah crossings.

EDUCATION*

- **637,475** school-aged children without sustained access to formal, in-person education.
- **64,000** children at the age of five without access to early childhood education.
- **~93%** of school buildings (526 out of 564) will require full reconstruction or major rehabilitation to be functional again (as of 11 October 2025).
- **>63** university buildings destroyed (source: MoE, as of 12 August 2025).

* Source: Education Cluster, unless otherwise noted

SHELTER

- **~900,000** people are in need of emergency shelter items (source: Shelter Cluster, February 2026)
- **320,622** housing units in Gaza have been damaged (source: UNOSAT, as of 11 October 2025).

HEALTH SERVICES FUNCTIONALITY** (as of 7 March 2026)

* Source: Health Cluster, unless otherwise noted

* All functional health facilities are only partially functional except three field hospitals, five PHC and 12 medical points that are fully functional

HUMANITARIAN ACCESS

Missions requiring coordination with the Israeli authorities

- **Facilitated:** CLA accepts a facilitation request and the movement on the ground is not impeded.
- **Impeded:** CLA accepts a facilitation request but the movement is blocked or delayed on the ground, resulting in some missions being aborted or accomplished partially.
- **Denied:** The Israeli Coordination and Liaison Administration (CLA) rejects a facilitation request.
- **Withdrawn:** Humanitarian organizations cancel their facilitation request due to logistical, operational, or security reasons.
