Footnotes

1. Number of searches, arrests and detentions are compiled from figures reported as weekly summaries. The number of weeks included in each monthly figure varies. Please see Appendix 1 for the actual date periods and number of weeks included in each summary month.
2. 2005 totals are from June to December.
3. 2008 totals are totals to the end of the most recent complete reporting month.
4. The weekly average provides a standardised figure taking account of the variable number of reporting weeks contributing to each monthly total.
