West Bank Barrier
A complex series of concrete walls, electronic barriers, and other obstacles controls Palestinian movement and restricts movement. Construction of the Barrier within the West Bank including East Jerusalem continues, contrary to the advisory opinion of the International Court of Justice.

ELECTRONIC FENCE BARRIER

CONCRETE BARRIER

BARRIER GATE

Control movement through the West Bank Barrier. Permits or verbal consent are required for Palestinians to access their lands.

Closure obstacles data was collected by OCHA field staff as of June 2018. For up-to-date closure data visit our online interactive maps at https://www.unocha.org/page/interactive-map
