# Protection of Civilians Weekly Report

## 10 – 16 January 2007

### Of note this week

- Three Palestinians – including a 10 year-old girl – were killed and 17 injured in the oPt during the ongoing Israeli-Palestinian conflict. Four Israelis were also injured, including two injured by the IDF during a demonstration against the construction of the Barrier.
- Two Palestinians were killed and 19 injured during Palestinian-Palestinian (internal) violence. Clashes between Fatah and Hamas supporters continued, though at decreased levels compared to previous weeks. However, armed family feuds in the Gaza Strip resulted in the death of a one-year old Palestinian infant and injury to eight other persons.
- The PA Civil Servants' Union announced that it would end the 130-day strike launched to protest the non-payment of salaries. The PA Finance Minister announced that salaries will be paid starting next month and that wages arrears will be paid in installments.

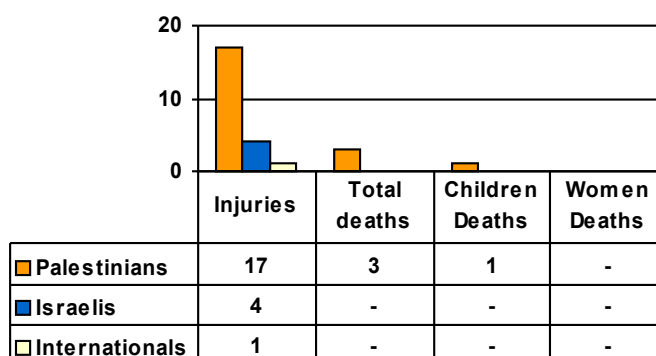

### Gaza Strip:

- Monitoring of the ceasefire:
  - Two Palestinians were killed when an IDF tank at the border fence northeast of Beit Hanoun opened fire into the Gaza Strip. IDF soldiers stationed along the border fence east of Al Mahazi camp also opened fire on two other occasions at a group of Palestinian shepherds. No injuries were reported.
  - A Palestinian fisherman was injured and six others arrested when IDF gunboats opened fire at and pursued Palestinian fishing boats. A total of four incidents off the Gaza Strip coastline involving Palestinian fishing boats and IDF vessels were reported this week.
  - For the first time since the ceasefire began an IAF aircraft fired a missile towards a homemade rocket-launch site in Jabalia camp.
  - An IDF tank and bulldozer entered 200 metres inside the Gaza Strip into the Al Qarara area to level land.
  - Ten homemade rockets were fired by Palestinian militants towards Israel. No injuries were reported.
  - The Hamas military wing claimed to have brought down an Israeli Unmanned Aerial Vehicle in the northern Gaza Strip.

### West Bank:

- Sixteen Palestinians were injured in the West Bank during the ongoing Israeli-Palestinian conflict. Two Palestinians were injured after being physically assaulted by IDF soldiers.
- A Palestinian house in Jerusalem was demolished after the owner received two days notice of the demolition. Five eviction orders and two demolitions orders were issued in two separate areas of the Jordan Valley.
- A group of Israeli settlers damaged the water pipeline in Duma village (Nablus). The IDF evacuated the settlers after liaising with the Palestinian DCO.
- 109 'flying' or random checkpoints set up by the IDF were observed. 101 search and arrest operations were conducted by the IDF, mostly in Bethlehem and Hebron, resulting in 108 arrests throughout the West Bank, mostly in Ramallah and Nablus.

### 1. Physical Protection<sup>1</sup>

<sup>1</sup> Note that this excludes casualties resulting from Palestinian-Palestinian (internal) violence reported in Section 2.

**Gaza Strip:**

- **11 January:** A Palestinian fisherman was injured when IDF gunboats fired machineguns at Palestinian fishing boats west of Beach Camp in Gaza City.
- **14 January:** Two Palestinian men, aged 22 and 23 years, were killed when an IDF tank at the border fence northeast of Beit Hanoun fired several shells and machineguns. The military wing of the Palestinian Popular Resistance Committees (PRC), announced that the two men were killed as they were trying to place a bomb in the area.

Other incidents (not involving casualties)

- **10 January:** IDF gunboats fired seven shells at Palestinian fishing boats west of Rafah. The fishing boats returned to the seashore. No injuries were reported.
- **10 January:** IDF gunboats pursued Palestinian fishing boats and arrested six fishermen west of Rafah before confiscating two fishing boats.
- **11 and 14 January:** IDF soldiers stationed at the border fence east of Al Maghazi camp opened fire for ten minutes in the direction of a group of shepherds. No injuries were reported.
- **11 January:** One Palestinian fishing boat was damaged when IDF gunboats opened fire in the direction of fishing boats near Gaza City (Gaza Strip).
- **12 January:** Egyptian Security Forces detonated a tunnel located under the borderline between Egypt and Rafah opposite the Zu'rub area. No injuries or damages were reported.
- **15 January:** Palestinian militants detonated a roadside bomb when an IDF vehicle was patrolling the border fence east of Khuza'a in Khan Younis. The IDF responded with heavy machinegun fire for five minutes. No injuries were reported. The military wing of Islamic Jihad claimed responsibility.

**West Bank:**

- **10 January:** A 17 year-old Palestinian man from refugee Camp No. 1 (Nablus) was injured by live ammunition when the IDF opened fire at his vehicle on the bypass road near Zawata village.
- **10 January:** Palestinians stoned an Israeli vehicle on Road 443 near Kharbatha al Misbah village (Ramallah) injuring two male Israelis.
- **11 January:** The IDF physically assaulted and injured a Palestinian man at a mobile checkpoint in Al-Jib (Jerusalem).
- **12 January:** Eleven Palestinians, including one photographer, two Israeli demonstrators, and one international journalist were injured by rubber-coated metal bullets during the regular demonstration held in Bil'in (Ramallah) against the construction of the Barrier in the village.
- **13 January:** IDF soldiers broke the arm and leg of a 26 year-old Palestinian man from Al 'Arrub refugee camp (Hebron). The IDF soldiers had been manning a checkpoint at the entrance of the camp and physically assaulted the man after searching the public bus he was riding in.
- **13 January:** A 13 year-old boy from the H2/Hebron (Hebron) was injured after being beaten by a group of Israeli settlers from Beit Hadassah settlement.
- **15 January:** IDF soldiers physically assaulted several Palestinians protesting the construction of the Barrier on their land in Umm Salamona village (Bethlehem). The IDF broke the arm of a 38 year-old Palestinian man.

**2. Palestinian internal violence and other incidents**

[Casualties recorded in this section relate to Palestinian inter-factional fighting, family and community disputes and reckless use of weapons. Also reported in this section are casualties indirectly related to the conflict such as incidents involving Unexploded Ordnance (UXO), traffic accidents between Israeli and Palestinians in the oPt and deaths resulting from delay in receiving medical treatment at a checkpoint or during a military operation/curfew. These casualties are not recorded in the total in Section 1.]

**Gaza Strip:**

- **10 January:** A member of the Hamas-dominated Executive Support Force (ESF) was injured during armed clashes between the ESF and Fatah supporters in Beit Lahia.
- **10 January:** A 20 year-old Palestinian man died of wounds sustained during clashes between Hamas and Fatah supporters in Gaza City on 9 January.

- **10 January:** Two Palestinians were injured in an exchange of gunfire between cousins from the same family in Rafah.
- **12 January:** Four Palestinians were injured during an armed dispute between members of a local family in Beit Hanoun.
- **12 January:** A Palestinian man was injured during armed clashes between PA Security Forces and the ESF in Jabalia camp.
- **12 January:** A Palestinian man was injured during an armed family feud in Al Maghazi camp.
- **13 January:** Two Palestinian men were injured when unknown gunmen opened fire at a group of PRC members in Jabalia camp. The motive behind the incident is unknown.
- **14 January:** A Palestinian man was injured during an armed family feud in Rafah.
- **15 January:** A one year-old Palestinian infant was killed during an armed family feud in Al Bureij camp.
- **16 January:** An al Aqsa Martyrs Brigade member was injured when unknown gunmen opened fire in his direction the Tel Sultan area in Rafah Camp.

#### Other incidents:

- **10 January:** Members of PFLP, DFLP and Islamic Jihad as well as 50 other Palestinians erected a tent and conducted a sit-in demonstration to protest against the deteriorating internal security situation at the Unknown Soldier Park near the PLC in Gaza City.
- **12 January:** Clashes between PA Security Forces and the ESF erupted when a 500 metre long tunnel was discovered under the PA national security base east of Jabalia camp.

#### **West Bank:**

- **10 January:** Masked men physically assaulted and injured a 43 year-old Palestinian man in Nablus city (Nablus).
- **11 January:** Four Palestinians were injured when clashes broke out between Fatah and PFLP supporters in Battir (Bethlehem).
- **14 January:** Masked men shot and injured a 20 year-old man from Ad Dabá in Ázzun village (Qalqiliya).
- **15 January:** A 10-year old Palestinian girl was shot and seriously injured as she was leaving school and got caught in the gunfire from the Israeli Border Police. The shooting occurred during clashes between Palestinians and the Border Police. The girl was later declared brain-dead.

#### Other incidents:

- **During the reporting period:** Continued tensions throughout Ramallah were observed following inter-factional violence reported in the previous week in Ramallah. PA police presence was increased to control the situation.
- **10 January:** The headquarters of the Municipality of Janata (Bethlehem), a Hamas-elected body, was vandalised and set on fire by a group of unknown people.
- **12 January:** A group of unknown men opened fire at four commercial stores in the towns of Bethlehem and ad Doha (Bethlehem).
- **12 January:** A gas canister blew up near the house of the head of Bethlehem Police Force in Bethlehem. Damage to the house was reported.
- **16 January:** A Palestinian prisoner, aged 37 years, died in custody from a heart and lung disease. The man had been in prison since May on administrative detention. The detention was renewed for another three months one week before he died.

### **3. Shelter and Property**

Date	Location, Governorate	Structures demolished	Structures damaged	People displaced / affected
10 January	Dura, Hebron	-	2	N/A
16 January	Silwan, Jerusalem	1	-	5
<b>Total</b>		<b>1</b>	<b>2</b>	<b>5</b>

- **10 January:** IDF soldiers caused extensive property damage to a butcher's shop and a restaurant during a search campaign in the city of Dura (Hebron).

- **16 January:** A Palestinian house (home to a family of five) was demolished by the IDF and the Israeli Border Police in the Abbasi neighbourhood of Silwan (Jerusalem). The owner had received notification of the decision only two days earlier, giving him one-month to appeal it. The displaced family includes three young children. The building was demolished because of lack of building permit.

#### Other incidents:

- **10 January:** The IDF issued five eviction orders to Palestinians from Khirbet Tana (Nablus). The IDF considers the area in which the Palestinians live as 'State Land' and within a military training area (much of the Jordan Valley has been declared fire zone/closed military area by the IDF).
- **10 January:** The IDF issued two demolition orders to Palestinians in Al Aqaba village (Tubas). The orders are one for a house under construction and the other is for a pool to collect rain water for irrigation. The orders were issued due to lack of building permits.
- **15 January:** Israeli media reported that the Local Committee at the Jerusalem Municipality submitted a plan to build an additional 1,000 housing units in the settlement of Har Homa, south of Jerusalem. The land slated for the project is situated between Har Homa and the Palestinian village of Sur Bahir, although a valley separates the Jewish settlement from the village. The municipality's Planning and Construction Council said the plan was initiated by the Housing Ministry.
- **15 January:** The Ministry of Construction and Housing published a tender for the construction of 44 new housing units in the settlement of Ma'ale Adumim.

## **4. Natural Resources**

### **Land levelling/Requisitions/Tree Uprooting<sup>2</sup>**

#### **Nablus Governorate:**

**15 January:** A group of Israeli settlers damaged the water pipeline in Duma village (Nablus). The IDF evacuated the settlers after liaison with the Palestinian DCO.

**15 January:** The IDF started levelling eight dunums of Palestinian land near Huwwara checkpoint to expand the checkpoint. The land belongs to Palestinians from Burin village and was earlier requisitioned on 10 July 2005 by Military Order No. T/106/05.

#### Ongoing incidents:

- Since 17 September land levelling continues for a road barrier installed north of Road 505, east of Za'atara checkpoint.
- Since 15 June land levelling continues north of Shave Shomeron settlement (west of Nablus) to install a fence.

#### **Jenin Governorate:**

No incidents to report.

#### **Tubas Governorate:**

No incidents to report.

#### **Tulkarm Governorate:**

#### Ongoing incidents:

- Land levelling continues around Avnei Khefets and Enav settlements for the construction of a new fence.

#### **Qalqiliya Governorate:**

#### Ongoing incidents:

- Barrier construction: land levelling and construction work continue near Immatin village, between 'Azzun and Kafr Thulth and between Azzun and Kafr Laqif.
- Since 12 November land levelling and construction of a new fence continues by the IDF south of 'Azzun Átma.

<sup>2</sup> 4 dunums = 1 acre; 10 dunums = 1 hectare

**Salfit Governorate:**

## Ongoing incidents:

- Barrier construction: Israeli contractors continue construction and land levelling north of Salfit City, Iskaka and Deir Istiya villages and south of Marda and Kifl Haris villages around Ariel settlement.

**Ramallah / Al Bireh Governorate:**

## Ongoing incidents:

- Barrier construction:
  - Construction continues between Kharbatha al Misbah and Bil'in and is in the final stages in the section between Beit 'Ur al Fauqa and At Tira villages.
  - Construction continues near Umm Safa, parallel to bypass Road 465, to create a buffer zone around Ateret settlement. The land was earlier requisitioned by the IDF and belongs to Palestinians from Atara and Umm Safa villages.
  - The last section of the Barrier in Beit Sira village is complete between Beit Sira and Makkabim settlement. A 400-metre section between the village and Beit Nuba is under construction and a gate is being installed.
  - Following a decision by the Israeli High Court approving a new route of the Barrier in 'Abud, construction resumed parallel to bypass Road 465, as well as between 'Abud and Ofarim and Beit Arye settlements.

**Jerusalem Governorate:**

## Ongoing incidents:

- Barrier construction:
  - Construction continues along the projected route in the Jerusalem governorate. Exceptions to this are northeast of Al 'Eizariya towards Ma'ale Adummim settlement. Construction continues along 3 km stretch of the Barrier south of Ma'ale Adummim and Kedar but has stopped since 3 March pending a court case.
  - Construction near Ar Ram checkpoint between Dahiyat Al Bareed and Atarot is ongoing. Detours through the Palestinian neighbourhoods of Ar Ram and Dahiyat Al Bareed due to the construction continue and changes are experienced on a daily basis. During the last week, further construction of the Barrier in Dahiyat Al Bareed means that the opening is only occasionally open. Pedestrians can still go through this opening but the Barrier will soon seal off this neighbourhood entirely from al Ram and the West Bank. Vehicles are currently using a rough road a few metres beyond the previous gate. Construction of the Barrier in this neighbourhood is progressing at a rapid pace.
- Construction of a road barrier continues on Road 1, east of Az Za'ayyem. Palestinians with Jerusalem ID cards driving to Jerusalem now have to drive south to Ma'ale Adummim and then return through Az Za'ayyem checkpoint.
- Construction of an Israeli police station in E1 continues.
- The road between Anata and Al 'Eizariya is under construction (Road 70). Another road (Road 80) is planned that will link Abu Dis to Road 1 east of the planned Barrier around Ma'ale Adummim. The road will be open for Palestinians only.

**Jericho Governorate:**

No incidents to report.

**Bethlehem Governorate:**

**15 January:** Barrier construction was carried out by contractors guarded by the IDF on land belonging to the Palestinian village of Umm Salamona.

## Ongoing incidents:

- Barrier construction:
  - Construction continues next to Al Khadr Boys School along the eastern side of Road 60 adjacent to the school playground.
  - Land levelling continues in the section of Road 60 between the Palestinian village of Al Khadr and Al Nashshash (southern entrance of the city of Bethlehem). Curb stones and concrete pillars were placed during the reporting period.
  - Land levelling in the vicinity of the settlement of Har Gilo continues.

- Land levelling in the vicinity of the settlement of Efrat, near Artas village, continues.
- Land levelling and digging for the construction of the tunnel near Al Khadr village has accelerated. Levelling is also taking place along the western side of Road 60. Concrete partitions were placed during the reporting period.
- Paving continues on the side of Tunnels checkpoint to expand the site. Six lanes have been paved so far and four inspection cabins were installed.
- Work continues on the road leading to the Talita Khoumy School. A one-metre high road barrier was installed and land levelling has continued on both sides of the road.
- Land levelling for the construction of the new terminal next to Al Jab'a checkpoint continues.
- Construction work at Nu'man terminal is ongoing.

### Hebron Governorate:

#### Ongoing incidents:

- Barrier construction: construction continues west of Eshkolot settlement.
- Land leveling including paving continues west of the checkpoint of Tarqumiya for a new commercial checkpoint.
- Construction of the agricultural terminal at Meitar checkpoint is ongoing.
- Paving continues at the Beit Yatir checkpoint close to the Palestinian hamlet of Imneizil. An observation tower was installed and the terminal is almost complete.

### Gaza Strip:

**15 January:** An IDF tank and a bulldozer moved 200 metres into the Al Qarara area north east of Khan Younis. The bulldozer excavated and levelled land.

## 5. Access and Movement for Civilians

### a) Curfew

Date	Location, Governorate	Duration
15 January	Huwwara village	13 hours
<b>Total Week</b>		<b>13 hours</b>

**15 January:** The IDF imposed a curfew on Huwwara village (Nablus) for 13 hours after Israeli settlers' vehicles were stoned while they were passing on Road 60 through the village.

### b) Access to education

**10 January:** The IDF delayed the teachers from Ras at Tira school for one hour at Ras at Tira barrier gate (Qalqiliya) after they refused to be searched by a metal detector at the gate.

**10-16 January:** The IDF and Israeli Police escorted Palestinian students from Tuba to and from their elementary school in At Tuwani (Hebron) with an average delay of half an hour. The escort has been provided since 2004 to protect the students from attacks by Israeli settlers from the Ma'on settlement.

**14 January:** IDF soldiers entered the Husan Boys High school (Bethlehem) and physically assaulted a teacher present in the playground of the school. The school is situated closed to a bypass road for settlers, and IDF soldiers sometimes enter the school looking for stone throwers.

### c) Access to employment

There is currently no communication between Israeli and Palestinian authorities (DCOs) and Palestinian workers and traders are applying directly to the Israeli authorities for permits to enter East Jerusalem and Israel.

The eligibility criteria for permits are similar for both workers and traders; over 35 years old, married with children and with no security file. The age restriction has been relaxed for permits to the Atarot Industrial Zone to over 21 years old.

**d) Closures/movement restrictions****Nablus Governorate:**

**10 January:** The IDF closed Al Badhan checkpoint for several hours due to a security alert.

**13 January:** Delays of up to one hour were reported at Beit Iba checkpoint.

**13 and 14 January:** Delays of up to one hour were reported at Huwwara and Al Badhan checkpoints.

**16 January:** Delays of up to several hours were reported at Al Badhan checkpoint.

- Ongoing incidents:
- The IDF continues to close Shave Shomeron checkpoint for all vehicles, including UN and humanitarian organisations.

**Jenin Governorate:**

Ongoing incidents:

- Since 30 August, the IDF have allowed 40 commercial trucks (with less than a two tonnes freight load) to transport food products to Barta'a enclave. A list with the plate numbers of the trucks is present at the checkpoint. Other materials still require prior coordination.

**Tubas Governorate:**

No incidents to report.

**Tulkarm Governorate:**

**10 January:** According to the Israeli DCL the IDF allowed Palestinians with Israeli IDs to enter Tulkarm.

**13 January:** Delays of up to one hour were reported at Anabta checkpoint.

**Qalqiliya Governorate:**

**16 January:** The IDF closed Jayyus north Barrier gate for several hours and announced the gate will be opened three times a day instead of 12 hours a day previously.

Ongoing incidents:

- The main entrance to 'Izbat at Tabib village continues to be closed by the IDF with an earth mound.
- The IDF continues to close the dirt roads connecting Kafr Qaddum with Hajja, Kur and Beit Lid villages.

**Salfit Governorates:**

Ongoing incidents:

- The IDF continues to close the gate at the northern entrance of Kafr ad Dik.
- The agricultural gates in the Barrier continue to be closed by the IDF near Mas-ha and Az Zawiya preventing farmers from accessing their land.

**Ramallah / Al Bireh Governorate:**

No incidents to report.

**Bethlehem Governorate:**

No incidents to report.

**Hebron Governorate:**

**10-16 January:** IDF soldiers and Israeli settlers from the settlement of Beit Hadassah, located in the H2/Hebron, prevented Palestinians and internationals from walking on Al Shuahada Street at least on ten different occasions. That is despite a declaration from the Military Legal Advisor at Bet El which was issued on 25 December 2006 allowing Palestinians on-foot access to the Street.

**Jerusalem Governorate:**

No incidents to report.

**Jericho Governorate/Jordan Valley:**

**16 January:** At around 7.30 am the IDF denied access to seven teachers from Tubas going to schools in Bardala despite that they possessed appropriate identification cards. They were allowed through at around 10am after intervention from the Israel DCL in Jericho.

Ongoing incidents:

- As of 14 September the IDF announced that only Palestinians with Jericho residency and Jerusalem ID holders would be able to exit via the Jericho DCO checkpoint, forcing all others to either request a permit or travel on the Al Mu'arrajat old road to reach the rest of the West Bank. Palestinians employed by international organisations, humanitarian workers and residents of Abu Dis, Ash Sheikh Sa'd, Al 'Eizariya, Az Za'ayem and As Sawahira village are allowed to exit Jericho via the DCO checkpoint.
- Since 9 January Bisan checkpoint, north of Tubas, opened for Palestinian merchants from the Jordan Valley and Jericho to export their agricultural produce into Israel via Bisan using the back-to-back system. Palestinians from the West Bank in possession of businessman cards, in addition to an Israeli permit, are allowed through this checkpoint into Israel. Palestinians working for international organisations continue to be prohibited from using Bisan checkpoint.

## Gaza Strip

### During the reporting period:

- Karni crossing was open for six days (the crossing was closed for the weekend on 13 January.) On 16 January the crossing was open but closed for containers.
- Rafah Passengers' terminal was closed all week.
- Erez crossing was partially open for the movement of diplomats, international humanitarian workers, critical medical cases and Palestinian 'senior' traders. (Non-diplomats require prior coordination with the IDF which is being decided on a case-by-case basis). The crossing continues to be closed since 12 March for Palestinian workers. On 14 January between 2:30am and 4:30pm the crossing was closed due to construction work.
- Nahal Oz energy pipelines were open for six days during the reporting period (the pipelines were closed for the weekend on 13 January.)
- Sufa crossing was open for six days during the reporting period (the crossing was closed for the weekend on 13 January.)
- Kerem Shalom crossing was closed all week except 16 January.
- Gaza fishermen are permitted to fish up to six nautical miles off the coastline. During the reporting period, the IDF fired frequently at Palestinian fisherman off the Gaza Strip coastline, particularly near Rafah (see Section 1).

### Ongoing incidents:

- Following the disengagement from Gaza in September 2005, the IDF announced that Palestinians should keep a distance of at least 150 metres from the perimeter fence along the eastern and northern borders of the Gaza Strip.
- On 28 December 2005 the IDF declared the former northern settlement bloc to be a "no-go" zone. Officially, entry into the area for the 250 residents and international organisations requires prior coordination with the IDF however this is not enforced.

#### Method and Sources

The information used to compile these Briefing Notes comes from a range of sources with a field presence in the West Bank and the Gaza Strip. The accuracy of the reported information is ensured through the corroboration of reports by two additional sources. Typically, the OCHA Field Coordination Unit (FCU) receives an initial incident report from a source, which is verified through visits to the incident site in addition to further corroboration with a third source, such as an NGO. In addition, OCHA FCU collects military orders as documentary evidence and provides information on incidents witnessed in person.

In the interests of timeliness and readability, the sources are not listed for each incident within the texts of the report. Listed below are the sources relied upon each week in compiling this Briefing:

- Physical protection: OCHA FCU, Palestine Red Crescent Society (PRCS), United Nations Relief Works Agency (UNRWA), World Health Organization (WHO), Israel Defence Forces (IDF) website, Israel Ministry of Foreign Affairs (MFA), offices of Palestinian Authority (PA) governors, Palestinian District Civilian Liaison (DCL).
- Shelter and property: OCHA FCU, UNRWA, Palestinian DCL.
- Natural Resources: OCHA FCU, Al Mezan Center for Human Rights, UNRWA, Palestinian DCL, Village Councils, Land Defence Committee and Land Research Centre.
- Access for Medical Assistance: OCHA FCU, WHO, PRCS, Palestinian Ministry of Health (MoH), UN World Food Programme, United Nations Children's Fund (UNICEF), UNRWA.
- Access and Movement for Civilians: Sources: Palestinian DCL, Christian Peacemakers Team (CPT).
- Curfews: OCHA FCU, Village Councils, UNRWA, Palestinian DCL.
- Access to Education: OCHA FCU, UNRWA, UNICEF, Palestinian DCL, Village Councils.
- Access to Employment: UNRWA, United Nations Office of the Special Coordinator for the Middle East (UNSCO), Palestinian Ministry of Labour (MoL), Palestinian DCL, Palestinian Chamber of Commerce, Israeli DCL.
