

# OPT: HUMANITARIAN FUNDING UPDATE (as of 31 May 2020)

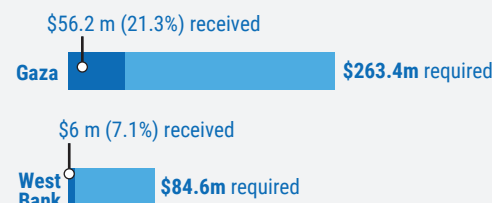

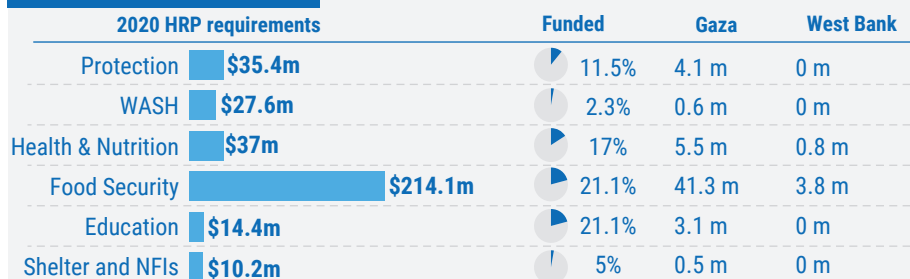

## OVERVIEW

The 2020 Humanitarian Response Plan (HRP) requirements are 41 per cent funded, that shows 10 per cent increase since the past month thanks to funding provided by Germany to WFP, ECHO's contribution to NRC and Sweden funding towards Islamic Relief Society in addition to funding received by UNICEF from Poland. Furthermore, the oPt Humanitarian Fund is being generously funded by Germany, Belgium, Sweden and Switzerland among other donors. This month also UAE provided significant contribution towards Covid-19 response activities. Starting May 2020 OCHA also has started providing the tracking of funding towards the Covid-19 response plan.

## BY CLUSTER AND LOCATION\*

\* This does not include some \$65.1 Million funding received for the HRP that did not specify a cluster, 2.5m were funded towards Coordination and Support.

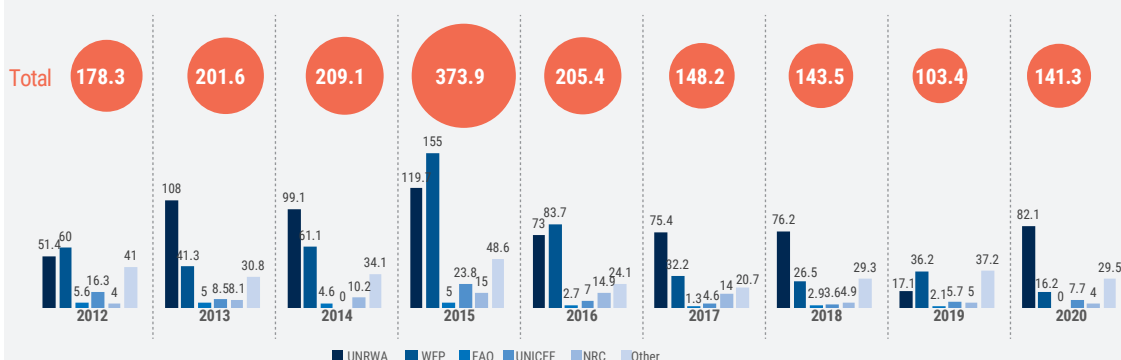

## BY STRATEGIC OBJECTIVE\*

\*This does not include some \$65.9 million funding received for the HRP that has yet to be allocated by type of activity.

As of the end of May, humanitarian funding is 30% higher compared to the same period in 2019. However, not all UN agencies have received more support than during the same period in the past year. UNRWA has received the largest share of HRP funding. WFP and UNICEF have received new contributions during past month. The first contribution since the beginning of the year was registered for Norwegian Refugee Council in the amount of \$4 million.

## YEAR-TO-DATE COMPARISON OF HRP FUNDING BY RECIPIENT as of 31 May each year (\$ million)

## TOP 5 DONORS OUTSIDE HRP

Total funding outside HRP  
**\$75.9 m** received
